68. Michelle van Weeren
69. Muhammad Ali Nasir
70. Nick Boldrini
71. Nikolaos Karagiannis
72. Paolo Burato
73. Philippe Gillig
74. Philippe Pouliquen
75. Rainer Geiger
76. Roberto Veneziani
77. Rosaria Rita Canale
78. Sergio Rossi
79. Sylvain Zeghni
80. Thierry Marneffe
81. Timo Herrmann
82. Ulrike Lohr
83. Winfried Plesch

About Reset Finance

The Reset Finance campaign focuses on the 2024 EU elections, stressing the need to reset the financial system.

The post-crisis reform agenda aiming to make the financial system safer and more resilient has stalled, with new challenges for the financial sector not being adequately tackled.

The signatories of the campaign call on candidate MEPs, Commissioners and EU policy-makers to reset finance and regulate towards a future in which the financial system serves citizens and the planet.
